FAQs

- *What if I have symptoms?*
 - *This program is designed for asymptomatic tests. If you are experiencing symptoms, please contact the Bozeman Health COVID-19 Hotline by calling 406-414-2619.*
- *What is the cost?*
 - *There is no cost to residents and workers in the Big Sky Resort Area District.*
- *How many times can I be tested?*
 - *Based upon availability, an individual may test with this program once a week.*
- *Who administers the tests?*
 - *Tests are self-administered using a nasal swab.*
- *Can I pick up a test for a friend, colleague, or family member?*
 - *Yes, with proper documentation for each test kit. However, each person must create their own account to receive test results.*
- *How long will my results take?*
 - *Results should be received within 24-48 hours of lab receipt.*
- *Who will have access to my individual test results?*
 - *The contact tracer for our program will have access to your individual results. It is your responsibility to notify your employer if you test positive.*
- *Will there be a dashboard for the results?*
 - *A community dashboard will display aggregated weekly results (not individuals.)*
- *How will I be notified of my results?*
 - *Your results will be delivered to your secure online account (test kits will include instructions on creating an account.)*
- *As an employer what if I need more than 10 tests for my workforce?*
 - *Coordinate directly with Big Sky Relief to discuss your needs.*
- *What happens if I receive a positive test result?*
 - *If you receive a positive result you should remain in self-isolation. You should follow the guidance provided by the Centers for Disease Control and Prevention (CDC).*
 - *Alert your employer*
 - *If you develop emergency warning signs for COVID-19 get medical attention immediately. Emergency warning signs include but are not limited to:*
 - *Difficulty breathing or shortness of breath*
 - *Persistent pain or pressure in the chest*
 - *New confusion or inability to arouse*
 - *Bluish lips or face*
